ORDER:

In the reference 1st and 3rd read above, the Engineer-in-Chief(Irrigation) has requested the Government for permission to draw a quantum of water 327 KLD or 0.133 Cusecs or 0.004 TMC or 4 Mcft per year from Camp Bell Canal to the firm M/s. Growel Feeds Private Limited, Sriharipuram Village, Mudnapalli Mandal, Krishna District, subject to certain conditions mentioned therein. He has stated that the President, Distributory Committee No.15, Pedagonnuru and concerned WUA Presidents have given their consent to permit to draw water from Camp Bell Canal.

2. Government after careful examination of the proposal, hereby accord permission to draw a quantum of water 327 KLD or 0.133 Cusecs or 0.004 TMC or 4 Mcft per year from Camp Bell Canal to the firm M/s. Growel Feeds Private Limited, Sy.No.57, 58 of Sriharipuram Village, Mudnapalli Mandal, Krishna District for a period of five years Subject to availability of water flows and subject to condition that the firm should make own arrangements during the Canal closure and to draw water from Canal when it is running at FSL condition with usual terms and conditions subject to condition that firm shall obtain the concurrence of District Collector, Krishna and the clearance of Pollution Control Board, Structure permissions etc., from the Engineer-in-Chief(Irrigation) and the Chief Engineer, CDO, Hyderabad, subject to payment of the Royalty payable as per Government orders in this regard from time to time and all other conditions applicable to water allocation for industrial purpose vide various Government orders issued from time to time and subject to the following conditions:-

1. The annual requirement of 327 KLD (or 0.133 C/s) of water can be spared from Camp Bell Canal.
2. The water drawn from the canal should be utilized for the purpose for which permission is granted. Any misuse in this regard will entail cancellation of the permission without any notice liable for imposition of penalty.
3. The entire cost of infrastructure to draw water shall be borne by the industry only.

P.T.O.,

4. Water meters or suitable approved measuring devices should be installed by the industry at their own cost to measure the water consumed and water measuring devices should be kept under the control of Irrigation & CAD Department and the representatives of the user shall be present at all times for taking readings.
5. The industry should pay water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/ royalty the permission to draw water shall stand cancelled.
6. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission is accorded by the Government, the lease of Government land should be paid as fixed by the Government only.
7. The industry should obtain the prior concurrence of concerned Department for laying pipeline and for crossing etc.
8. The industry should make their own arrangements for supplementation of water in their premises only.
9. The industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural resources.
10. The Irrigation & CAD Department reserves the right for cancellation of the permission without assigning any reasons thereof.
11. The Irrigation & CAD Department is no way responsible of non-supply / Non Availability of water due to any reasons in any particular water year.
12. The Industry must strengthen the canal margin 200 MM on either side of the proposed off take point to avoid slips, erosion of banks and to protect existing margins as directed by the Department.
13. The industry should lay the pipeline duly leaving not less than 1.00 Mts. From the toe of the flood bank.
14. The industry has to construct CC walls to avoid leakages at pipe line crossings.
15. The industry should follow the Revenue Board Standing orders (B.S.O).
16. The industry should pay security deposit at 2.5% on 10 years water charges for which permission is granted.
17. The permission accorded shall be for a period of 5 years only. The permission shall have to be renewed well in advance before the expiry of the permission.
18. The Industry shall pay one year water charges as advance and amounts due to the Department before entering into agreement.
19. The industry should make its own arrangements creating storage facilities for the requirement of water.

20. The present rate of royalty charges as per the G.O.Ms.No.39, I&CAD Department, Dated: 02-04-2002 is Rs.4.50 per 1000 gallons for consumptive use. The water royalty charges are likely to be revised by the Government from time to time and the industry shall pay the revised rates as fixed by the Government from time to time.
 21. The firm has to pay the water charges for the estimated quantity in advance at the start of the Financial Year (i.e) before 10th April every year as per BSO.
 22. The consumptive utilization of 4 Mcft of annual requirement as required should not be exceed under any circumstances.
 23. A detailed plan showing the location, the intake arrangements, conveyance system etc., shall be furnished to the Department.
 24. The industry shall abide any other conditions laid down by the Government / Department from time to time.
 25. The permission does not confer any riparian right to the industry.
 26. Non adherence of the any of the conditions by the industry entails cancellation of the permission.
3. The Engineer-in-Chief(Irrigation), Hyderabad shall take necessary action accordingly.
